MEMORANDUM FOR: Acting NIO for Economics
FROM :
Director of Global Issues
SUBJECT : Meeting with Norman A. Bailey

STAT

1. On Thursday, March 14, 1985, Norman A. Bailey, former Special Assistant to President Reagan for National Security Affairs and Senior Director of International Economic Affairs of the National Security Council, will meet with Agency staff to discuss industrial-country international monetary policies. Dr. Bailey has published articles on the international monetary system and on monetary reform proposals. He currently is conducting research on central bank operations of the United States, major European countries and Japan. His discussion with Agency staff will be especially useful for Economic Summit preparations. (U)
